	for a Certificate of Public Convenience and)	
	Necessity to Provide Resold Local Exchange)	
	Telecommunications Services within the State)	
	of South Carolina.)	

This matter comes before the Public Service Commission of South Carolina (“Commission”) by way of a request filed by Telephone Company of Central Florida, Inc. (“TCCF” or the “Company”) to amend its Certificates of Public Convenience and Necessity by a change in the Company’s name. By its request, TCCF advises the Commission that the Company has changed its name to EPICUS, Inc. TCCF was granted authority to provide resold intrastate interexchange telecommunications services in the State of South Carolina by Commission Order No. 97-890, issued October 16, 1997, in Docket No. 97-272-C. Also by Order No. 97-890, in Docket No. 97-273-C, TCCF was granted authority to provide resold local exchange telecommunications services in the State of South Carolina.

Pursuant to the instructions of the Commission's Executive Director, TCCF published a Notice of Filing in newspapers of general circulation in the Company's service area. The Company filed affidavits showing that it had complied with the instructions of the Commission's Executive Director. No Protests or Petitions to Intervene were filed in this matter.

A review of TCCF's request reveals that the Company changed its name initially to EPIC Communications, Inc. and thereafter from EPIC Communications, Inc. to EPICUS, Inc. A copy of the applications for an amended certificate of authority by a foreign corporation to transact business in South Carolina, reflecting the name changes, and filed with the South Carolina Secretary of State's Office, accompanied the request. TCCF additionally provided copies of the Company's authentications of its Articles of Amendment from the Florida Secretary of State.

At its regularly scheduled meeting on June 17, 2003, the Commission reviewed the case before it and after due consideration of this matter, the Commission concluded that the request of TCCF for approval of a change of the Company's name should be granted. Accordingly, the Certificates of Public Convenience and Necessity granted to TCCF should be amended to reflect the Company's new name.

The Commission therefore grants the following name change:

FROM: Telephone Company of Central Florida, Inc.

TO: EPICUS, Inc.

The Commission's records will hereby reflect the change of the name of the Company.
